ABOUT US

Great events are remembered for the people who served them.

Vantaedge Events is a Johannesburg hospitality staffing company. We place waiters, bartenders, chefs and hosts, and run check-in desks, at restaurants, venues, corporate functions, university events and private celebrations, and we hold every one of them to a five-star standard.

We were started by an operator with more than ten years on the floor, in the kitchen and behind the guest house desk. That background shapes how we brief, dress and manage our teams, so our clients can focus on their guests and leave the service to us.

FOUNDER & DIRECTOR

Simphiwe Gift Mncube

Every booking we take is overseen by someone who has worked the floor, run the kitchen and balanced the books.

Simphiwe has spent more than a decade in hospitality, across guest house management, food and beverage, catering and large international events. Before Vantaedge he built French Corner Caterers, a respected Johannesburg caterer that served foreign embassies and the All-Africa Games.

Several people he trained there now run event companies of their own. Today he is also Operations Manager of Emmarentia Guest House, a 4-star TGCSA-graded property he helped open in 2021. He holds a Diploma in Food & Beverage and has a background in ICB accounting.
