S'CURE DLX™

The deluxe version of our lightest polypropylene collection S'Cure. By using Samsonite Flowlite™ material. A deluxe suitcase is achieved with the addition of chrome touches, soft touch wheel handle, rich colours and a premium interior. Apart from its premium look, S'Cure DLX offers a full spec interior and is our first polypropylene collection with a luxury lining. This collection is made in Europe (Belgium).

- Three-point TSA locking system.
- Full option interior:
Top: full lining, zipped divider pad and lowered ribbons.
Bottom: two side pockets, detachable wet pocket and large detachable laundry bag, which functions as an extra divider.
- Colour match and chrome exterior details.
- The new metallic green colour adds an additional luxury option to the range with its metallic particles added to the polypropylene mixture during manufacture.

LITE-LOCKED™

Samsonite proudly presents another world exclusive: the combination of its exclusive Curv®* technology and a three-point locking system. Lightness has never been so secure. Security has never been so light. The three-point locking system, launched as a Samsonite patented innovation in 1986, has continuously evolved and been improved over the last 30 years, and offers greater security and practical travel use. Curv material, exclusive to Samsonite, has revolutionised the luggage industry enabling the lightest and strongest Samsonite ever.

- Samsonite exclusive and patented Curv technology: super light and super strong.
- Three-point locking system: super secure and extremely practical.
- Iconic, award winning Cosmolite design.
- Zipped Spinner 55 in matching colours.

COSMOLITE®

Cosmolite luggage, our first mainstream collection made with the revolutionary Curv technology is now better than ever. Keeping its iconic look, an impressive weight reduction of 18% on the Spinner 75 versus previous version has been achieved, reaching an amazing 2.8 kg. The Spinner 55 weighs only 1.8 kg. In parallel its iconic look has been reinforced with new detailing on lock, wheels, name tag, pull and carry handles, zipper protection and interior. This collection is made in Europe.

- Made with Curv material, enabling a strong but still extremely light suitcase.
- Unique design, inspired by nature. Cosmolite won the prestigious Reddot Design Award "Best of the Best 2010", the largest, most highly acclaimed and toughest design competition in the world.
- Functional interior: lowered cross ribbons, side pocket and a mesh divider.
- Recessed three-digit TSA lock for secure travel to the USA.
- Spinner 55 fits strict cabin regulations (40x55x20 cm).

X-PERTIZ™

Hardshell PointShock™ Technology brings a completely new high-performance material combination unique to the luggage scene. Suitcases using this technology literally wrap themselves in safety. Its plastic shells are covered with highly resistant PointShock fabric. The use of fabric adds extra impact strength to the shells. By specifically using PointShock fabric we add to this a highly scratch-resistant shell surface and a very strong fashion appeal inspired by the matt finish trend in the car industry. With X-Pertiz, we launch the first collection using the Hardshell PointShock Technology. The design of this collection aims to emphasize the innovative material used by focusing on strong, sporty lines and detailing.

- Ultra resistant shell surface material.
- Extra light and extra strong.
- High fashion matt shell surface.

X'BLADE 2.0™

X'Blade 2.0, one of Samsonite's all-time favourites, reinvented. This all inclusive luggage collection offers more models, features and colours than ever before, whilst becoming even more competitive in weight. Its modernised, function driven design comes with large, expandable volumes and smart detailing. X'Blade 2.0 is the first Samsonite range to profit from the Smart Fix™ buckle (patent pending), allowing smooth packing of your belongings. As before, X'Blade 2.0 is built on values of strength and protection, using sturdy fabrics and components and applying multiple outside reinforcements.

- Multi-pocket TSA lock with cable closure, to easily lock all outside compartments (patent pending).
- Removable suiter (on check-in Uprights and Spinners only).
- Shoe/laundry bag comes with all luggage items.
- Integrated wet pocket in all items (except for Shoulder Bag, Garment Sleeve and Beauty Case).

GENERAL INFO

DIMENSIONS

The dimensions shown in the tables are the exterior dimensions (including handles, wheels, bottom glides, side pockets and other external parts).

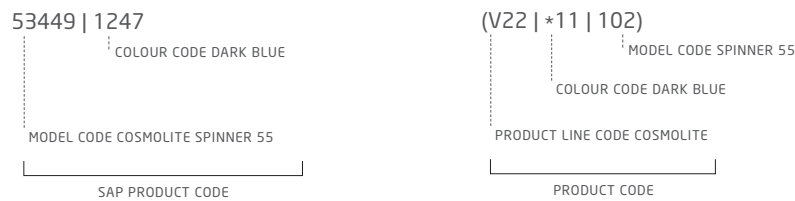

All volumes are measured in litres. These measurements are carried out in Samsonite laboratories using Samsonite measuring procedures.

Samsonite reserves the right to amend the specifications, colours, dimensions and weight of any product without prior warning. Colour deviation may occur due to the printing technique used.

PRODUCT CODES

All Samsonite product codes appear as follows: For example: Cosmolite Spinner 55 - Dark Blue:

QUALITY TESTS

We deliver the quality. You conduct the test. Every journey. Every day.

You might not have given it any thought, but each Samsonite product undergoes the most stringent controls and tests before it goes on the market.

Of course, the ultimate test is conducted by you, the customer.
