

WE - DO CONSTRUCTION & BUILDING

COMPANY PROFILE

2012

We would like to take this opportunity to thank you for affording us the time to provide you with our Company Profile for your persual.

INTRODUCTION

The company was established on the 01 June 2008.

We - Do Construction & Building is a full service company providing service and installation of any building & construction needs. The team/s extensive experience enhances the overall professionalism and vision that we believe in. With a number of years experience in the building & construction industry, the knowledge obtained complement the overall ability to adjust to the versatile and ever changing industry. We provide our clients with a professional and cost-effective service, superb products and exceptional contractor's network. Our mission is to continually exceed our customers expectations, our principles and values will always be guided by honesty, loyalty and integrity.

OBJECTIVE

Our objective is to become one of the leading service and installation companies of building & construction. Making use of We - Do Construction & Building will not only save the customer money but also valuable time and effort. We are also leaders in the design of bathroom make-overs.

CUSTOMER REQUIREMENTS

Customers searching for construction & building service companies are evidently considering various factors before deciding on which company to use. The very first requirement is "Cost Effective" and value for money, joined with swift response and professional service.

MEETING THE NEED

In order for We - Do Construction & Building to satisfy the need of the customer we will offer the following services to commercial, industrial & domestic clients. (Our service will not be limited to ones listed below)

- Tiling
- Ceilings & Cornice
- Roofing (Design, Fabrication & Installation)
- Brickwork
- Plastering
- Waterproofing
- Steelwork
- Swimming Pools
- Precast Walls
- Paving
- Painting
- Plumbing
- Electrical
- Concrete Works

The company's overall objective is to satisfy the market sector, that demands integrity and quality of products and installations, and to maintain a steady growth in sales volume that will sustain the company. With the expertise of C Janse van Rensburg heading the Contracts, who has acquired a reputation for being the best and is regarded by many large customers as the recommended choice, due to their extensive knowledge and experience in the construction & building industry, We - Do Construction & Building can guarantee our customers of "Being With The Best".

Making use of We - Do Construction & Building will save the client valuable time and money, we offer our services at the best possible price in relation to our competitors.

By dealing with approved and professional suppliers we are able to offer the client the best product and service at the price to suit their needs.
