

INSTANT Beauty

Creating Beautiful Business

2D & 3D Design: We offer a design service, if clients are looking at opening a salon in a shopping centre it is becoming almost impossible to get space without a design. This service costs R50 per square meter, 50% of this fee is refunded should the client go ahead with the quotation for furniture manufacturing. The design process takes on average 1 - 2 weeks depending on the number of changes made to the original design. Please see design work below:

Custom salon design: Once we have completed the design process and the client is 100% happy with the design, we move onto the manufacturing of the custom designed furniture. Manufacturing times take between 17 - 27 working days depending on the salon size. Instant beauty offers free delivery and installation to clients within Johannesburg. All salons below were designed and manufactured by Instant beauty

Salon packages: Instant beauty has just launched salon packages. We understand that time and budgets can be tight. Our packages use only A grade materials, we pride ourselves on good quality furniture at a great price. We introduce: Lisa, Lulu & Lilly
