

Carriage Rides

The feeling of stepping back a hundred years in time, the romance of being a prince and his princess on a carriage, the beauty of enjoying a horse experience without having to actually ride a horse. All this and much more is possible with a horse drawn carriage. We are happy to announce that we now finally have a carriage available for rides for the public. We CAN NOT yet do weddings or other events on location. However for fun rides, romantic rides, proposals, and photo shoots here at our farm we are now available. At the end of the concrete rider, the carriage stops at the edge of the beach (not safe to go onto the beach with the carriage), where you are handed a Picnic Basket full of delectable goodies to eat and drink and a blanket to sit on.
