**AT JOKER TOWING, WE DON'T JOKE AROUND, WE ARE SERIOUS AND PASSIONATE ABOUT TOWING/TRANSPORT. WE OFFER OUR CLIENTS, THE BEST TOWING AND RECOVERY SERVICE, 24/7/365. WE ALSO DO RIGGING AND MACHINE MOVING WITH OUR ROLLBACK TRUCKS.**

Our towing concept is simple. We are passionate about what we do and how we do it.

Our service is fast, efficient, and professional. Our drivers are fully trained, experienced, friendly and trustworthy.

We have set standards and values, which are:-

- Hard Work
- Team Work
- Commitment
- Service excellence
- Passion

The above values give us the necessary innovation and an opportunity to best service you and your business needs as required.

We have an immaculate track record in managing contracts. Our high level of customer gives us a better understanding regarding the issues and risk our customers look for when in need of a tow.

Our director, Clint Van Greune, comes from a towing background and has 20 years' experience within the towing industry and worked with many well known companies. He has created his own level of standards, which far exceeds the normal standard of customer service within the industry and places Joker Towing at the top in its class. We pride ourselves in giving you the best service possible.

We have a workshop and storage yard with ample under cover parking, which is safe and secure and located in the East Rand. These vehicles are mainly accident damaged and recovered, abandoned and/or destroyed vehicles. We also have ample space on an extra storage yard to store containers, forklifts, TLB's etc.

Our rollback trucks run 24/7 including all weekends and public holidays, at no extra cost.

## TOW TRUCKS & VEHICLES

## OUR ROLLBACK TRUCKS

We move small trucks, cabs, trailers, caravans, 6m containers, generators, compressors, forklifts & TLB's, tractors, cherry pickers, lifts, machines, parts, steel, skip bins, crated and palletized goods etc. We can tow 3 cars at the same time. We have competitive and market related rates for the Rollback trucks within a radius of 40 km (local call). Thereafter we charge per kilometer, and according to quantity and/or weight. The rates are negotiable, but fluctuate according to distance, fuel and toll road charges.

## TRUCK RECOVERIES

## GENERAL:

We have four (4) Tow Trucks/slings, and two (2) Rollback Trucks to move:

1. any vehicles including race cars, modified cars, show cars, bakkies, 4 x 4, small trucks (4ton), Truck cabs and trailers, tractors, accident recovery vehicles and/or trade vehicles, boats, caravans, campervans, aviation parts and equipment;
2. 6m Containers, Generators, Compressors, TLB's, Bobcats, Forklifts, steel (flat sheets or rolled) or wood (Wendy's), crated goods, skip bins, drilling and rigging machines, scissor lifts cherry pickers, etc.;
3. building material, including cupboards, carpets, tiles, wood & laminated flooring, roof trusses, zinc sheets, window and door frames, artwork, furniture, etc;
4. farming equipment/machinery, water tanks, general construction machinery, drilling and rigging equipment, any light construction vehicles, and/or any part thereof, to and from construction or building sites, corporate or private.
