Urinal Performance

Urinal Cleaner, Scented Urinal Screens, and Urinal Blocks

UrinX II - Urinal Cleaner

Designed not only to remove the calcium deposits caused by urine, but with regular use, helps reduce calcium build-up in Portable Restrooms. UrinX II can also be used as a general purpose cleaner.....it is especially effective at removing mold and mildew from your restrooms.

Scented Urinal Screens

*Eliminates odors by releasing optimized bacteria that cleans as well as freshens the urinal for 30 days! Our scented Urinal Screens **release 10x more fragrance** that is gradually released over 30 days versus a vinyl urinal screen.*

- Available in Mango, Herbal Mint, Cotton Blossom & Spicy Apple

Urinal Blocks

Our powerful fragrance releasing Urinal Blocks are available in two sizes depending on your need. Simply place one block into the urinal, when the block is nearly dissolved just add another.

3 oz. Size 144 blocks per case (6-24 count boxes)

4 oz. Size 144 blocks per case (6-24 count boxes)

Available in Cherry only

Profit Generator for Septic Tank Companies

NU-TANK

Septic Tank Treatment Dissolvable Packets
Help Prevent Septic Tank Backups!

Produces a **HEALTHY**
Septic System!

NuTank provides biological populations that accelerate the digestions of waste. This creates and maintains a healthy system keeping waste liquefied, drain fields free flowing & odors eliminated. The all natural ingredients in NuTank reduce pump-out frequency and volume.

Ask about how your business can profit from private labeling (with your company name and phone number) and reselling Nu-Tank to your customers. Call for more details and pricing.

RESALE TO YOUR CUSTOMERS!
