THANK YOU!!!

I must say to you THANKS!!! You could have easily treated us as just clients, but instead you treated us like family. You shared with us your beautiful wife and daughter and we enjoyed them both. We appreciate, love and respect you. Best wishes!!! May ALLAH truly bless and keep you!!!

Dear Riedwaan

UNITED STATES MCCA PARTICIPANTS VISIT TO SOUTH AFRICA JUNE 2011

This note is to record and express our sincere gratitude for the manner in which you conducted the transportation services of the MCCA group.

A group of teenagers between the ages of 17 and 21, (plus 3 adults), is not an easy one to please.

Your professionalism, friendliness and ability to anticipate their varied needs is something which not every person can do successfully.

By all accounts, every single one of the participants have expressed their immediate liking of you and appreciated everything that you have done for them. The young people looked on you as a father figure and now refer to you as their 'South African daddy'.

You can rest assured that we will continue using your services going forward.

Thank you once again.

Yours sincerely

Hi Riedwan,
Thanks for all your help on Saturday evening - Michael was fantastic and such a help. And he kept his head in the chaos of detours and extra people etc.
Kind regards.

Dear Riedwaan
Thank you so much for organising our transport on Saturday night. There were 14 of us in total. We also wanted to say how incredibly impressed we were with Anthony. He got us there so quickly, and was a great driver and very courteous at all times. He also brought an iPod attachment for us so that we could play our own music! It was a wonderful evening and we will definitely use you again.
Kind regards.

Vanessa and Georgie.
