• WOODEN BENCHES

NEW 6 SEATER BENCH

Seats 6 people facing one another, each person has their own individual seat, with no obstacles obstructing their legs or feet. NO more.. "excuse me I need to get out!" No one is bothering anyone regarding seating arrangements!!

ADVANTAGES:

- Wood has been treated with a minimum of three coats of wood preservative, to protect the wood.
- All brackets go through a hot dipped galvanising process to prevent rust and ensure years and years of problem free sealing!
- Ample space for 6 people to eat.
- Restaurant / coffee shops can seat more people, increasing your turnover.
- Waiters can serve food & clear tables without bothering customers.
- A real space saver.
- Stylish design.
- Wheelchair / pram friendly.
- Woman dress / mini skirt friendly.
