Services

Chamber Bulletin

The Chamber Bulletin is a digital publication we send out monthly. It is an instrument made available to members so they can broadcast news, events or special offers to the rest of our members and newsletter registrants.

Chamber Report

Having a professional company profile is something no business can go without. We have the personnel to take what you have and do the necessary editing needed so you are equipped with the professional documentation you need and your business deserves.

Business Awards

A Bronze, Silver, Gold or Platinum adjudication "Fleur-de-lis" award for your business.

Access of Information - Registered

An "Access of Information" manual - now required by law - will be drafted based on the business report and registered with the Human Rights Commissioner on behalf of members.

Health and Safety Training

Chamberlink will also provide each member with Health and Safety training in compliance with the latest legal requirements of the Workman's Compensation Act.

Datadex

The ERCOC offers access to an up-to-date and user-friendly Datadex for SA containing over 23 000 entries. The data includes: company name, contact person, postal address, telephone number, fax number, industry, e-mail address, internet address and a business description.

Health and Safety Statutory Requirements

We provide training and expert advice on how to guide employees to comply with health and safety statutory requirements.

Business Plans and Budgets

Business Plans and Budgets are offered to assist members when applying for a loan from the DTI, bank or any financial institution.

Health & Safety Courses

As a member of the East Rand Chamber of Commerce & Industry, you have access to the following Health & Safety Courses:

- **First Aid Level 1**
- **Basic Fire Fighting**
- **Health & Safety for Management**
- **Health & Safety for Supervisors**
- **Health & Safety for Representatives**
- **Accident & Incident Investigation**

For each of these courses you can send 1 free delegate per year. That means that you get 6 free courses per year.

Health & Safety Training Courses are presented during the year, and you will be kept up to date on upcoming training dates via email, or visit our website for more information.

Certificate of Origin

Are you in need of a Certificate of Origin? Just let us know and we will assist you.

"A Certificate of Origin (often abbreviated to C/O or COO) is a document used in international trade. It is a printed form, completed by the exporter or its agent and certified by an issuing body, attesting that the goods in a particular export shipment have been wholly produced, manufactured or processed in a particular country."

All these services benefit your business in terms of additional exposure to the market as well as granting your business access to potential clients, information, services And training.

Website Hosting, Development & Maintenance, Email

Being a Chamber Member gives you access to a wide range of services to ensure that you can do business with piece of mind.

Knowing that a website is the cornerstone of any marketing strategy, we have a dedicated IT department who ensures that all members have their own professional looking website.

Seeing that we have access to our own hosting server, we are able to host member websites with their own **personalised domain**: www.mycompany.co.za and we also supply our members with **personalised email accounts**: name@mycompany.co.za; info@mycompany.co.za; services@mycompany.co.za etc.

The East Rand Chamber of Commerce & Industry's main purpose is to ensure that the way you conduct business can happen in a smooth and problem free manner.
