Proactive started with a focus on the pharmaceutical industry and has expanded to provide an excellent service for non-pharmaceutical companies. Among these are Indwe Risk Services, Samancor, Patio Warehouse, Sakata Seeds, ABB and Voith Engineering amongst others. We also supply government and quasi-government departments like Human Sciences Research Council (HSRC) and SA Weather Services.

Current pharmaceutical clients include: Alcon, Aspen Pharmacare, Bayer, Merck, MSD Schering-Plough, Pharmadynamics, Pfizer, Genop, Galderma and Solvay. The pharmaceutical industry is very demanding of its suppliers and we are pleased to say that we have an excellent reputation for service and quality.
