

ABOUT US

With over twenty-three years' experience and the latest technology and techniques in acrylic fabrication we pioneer new and exciting ways to manufacture our client's bespoke displays. Our product range includes brochure holders, tables, chairs, cosmetic display stands and much more. Our ability to create unique acrylic products to our client's bespoke criteria has built for us a reputation as the leading acrylic specialist name in visual communication and point of sale products in South Africa. We cater for small, medium and large size orders and ship products both globally and throughout southern Africa. We meet all your Corporate Marketing needs providing bespoke solutions in shop fitting, advertising, print, design and with multiple acrylic material options. Our clients benefit from European standard manufacturing with their leading acrylic brands such as Perspex, Plexiglas and Madreperla of Italy. If you can imagine it - we can create it!

FROM START TO FINISH

Our team has vast experience in visual merchandising so we appreciate your unique needs. With over 160 standard high quality acrylic colours available for both standard and custom made acrylic products your creative options are endless. Clear Design will not only build and print to your bespoke specifications but will also assist you in your product's design to insure your investment in the new acrylic product meets your expectation. Working closely with our client's design (specialising in acrylic product manufacturing) supports a wide range of product and sign-age displays for all your needs i.e.: long term display, short term marketing display and or specific product promotions. We provide an excellent, tailor-made all-in-one solution.

1 TAKE YOUR BRIEF
Gain an understanding of your display needs.

2 BUILD YOUR CUSTOM PRODUCT
Complete your product design to a bespoke brief and product according to your specific requirements.

3 SUPPLY SHOP FITTER
Supply a product packaged and ready for installation.

Note: all orders require payment upfront. Clear Design Terms & Conditions apply.

SUSTAINABLE QUALITY

Sustainable design is good for people, good for the planet, and good for business. With the introduction of Green Cast 100% recycled cast acrylic in Southern Africa, it's now easy and affordable to choose sustainable materials for your next project.

It's not just our processes that are sustainable; every Green Cast sheet is made exclusively from 100% recycled acrylic. Displays made with the Green Cast material have won the industry's most prestigious awards.
