FRAGRANCE OILS

Our Fragrance oils are UNDILUTED, we do NOT add any fillers or extenders and bottle it straight from our source of supply. The fragrance Oils would perform well in most conditions and in a variety of formulations. We have been using a number of them safely in our own In-House products we have on offer. When we do find a certain fragrance unsuitable we will advise you below to avoid you any possible dissatisfaction with our products. If you are unsure of formulation suitability rather buy a small quantity to do a small scale test to verify.
