Some Tips:

- A Guest book is a great idea for a special event e.g. a wedding or a birthday. Our staff will be advising your guests to paste one of their strips in the book, and write a special message next to it. They range from R550 – R750.
- Always let us know how many guests you'll be expecting. We're happy to give you our expert opinion on how many hours would be suitable for your event. There's nothing worst than having too much, or too little available time for the booth.

What You Need To Know:

- Travel is included if your event is within 15 km radius of the Helderberg area. If it is outside the Helderberg area, traveling is calculated at standard AA rates of R3.00 per/km.
- Our booth requires a space of **2.5m length x 2m wide x 2m high**, with a nearby power outlet.
- Should you plan to have the photo booth outdoors, the area **MUST** be covered & protected from wind & rain. The operation of the photo booth will be weather dependant.
- Accommodation will be charged for two people, should your event take place late evening & is more than 100km from Somerset West.
- We require a 50% deposit to secure and confirm your booking. Balance to be paid one day **PRIOR** to your event. Failure to pay the balance as per our Terms of Service, will result in non-operation of the photo booth.
- A 15% surcharge will apply should the event be taking place on a public holiday.
