

## The Spartan Story

SPARTAN TRUCK HIRE commenced trading in 1981 and has remained a privately owned business since inception. The company has created a name for itself which is highly respected in the trucking industry and which is proven by the continuity of our client base. Originally the company was solely a truck rental company but during the past 31 years of trading has developed into a highly successful contract / FML company. The company has a fleet in excess of 1000 vehicles of various sizes and configurations and a growing staff of 220 people. Spartan Truck Hire's head office is based in Spartan, Kempton Park and has a branch in Centurion, Nelspruit, Middelburg, Durban, two branches in Cape Town with depots in and around Johannesburg and in Botswana. Spartan has provided Full Maintenance Leasing and managed contracts as well as a "quality transport and distribution" service to numerous blue chip companies.
