

Grow A Tree

Grow A Tree is a small social enterprise founded in 2008 working across the country and aims to make tree planting fun.

So come on Grow A Tree with us or Sponsor A Tree with us, how about Volunteering with us. We'll guarANTREE to beat any price for a similar service or product.

What's the big idea?

To Grow 1 000 000 indigenous trees from seed

-  Each tree is geo tagged on a virtual map
-  Each child in the country learns how to Grow A Tree from seed
-  Incorporate this into all SA schools' curriculum

A Local South African EnTREEprise
