To Whom It May Concern:

It is my pleasure to recommend the **Payroll / Human Resources** services of **KMG SOLUTIONS** to you and your organization. During the past month, our management team has worked directly with **Deena Govender, of KMG SOLUTIONS**, on the Payroll / Human Resources projects.

The company offers top-notch quality, service and rates. Across the board, we are always pleased with his work. The Payroll/Human Resources project in particular illustrates his attention to detail and concern for quality.

Our current **Payroll/Human Resources** at Engen for 1300 weekly staff with a gross value of +- R6 million per week. **KMG SOLUTIONS** designed a simpler way of handling queries for the first time. Our weekly staffs received more than double the return from the previous five years using a different company.

We believe that the creativity and knowledge of Payroll/Human Resources strategies led to that success. This led to the employees receiving swift and smooth resolutions to their Payroll/Human Resources issues, the **KMG SOLUTIONS** has always been dependable, straightforward and honest.

Our organization looks forward in using **KMG SOLUTIONS** as our service provider in this specialized field.

If you have any questions please call me on 0835718396.

Sincerely,

Neil Augustine
