***“More value for your money.”***

186@RIDGE.nnThis is one of those places that leave you speechless. You get way more value for your money. Honestly, for that kind of a service, the price is a bargain. I loved staying there, wished I could stay for two months or more. The environment is homey, I really felt welcomed and at ease - just like I would at home.nnThe place is clean, tidy, secure, spacious not to mention beautiful. If it were according to me, visiting Pretoria I wouldn't want to stay anywhere else but 186@RIDGE.nn give this place 11/10. I can't believe I miss it already :-)
