Sizanani Training

Executive Summary

Sizanani Training and Development is an established training company specializing in a vast number of Occupational Health and Safety training courses based on and as contained in the OCCUPATIONAL HEALTH AND SAFETY ACT NO. 85 OF 1993.

Sizanani Training and Development courses and material are TETA accredited. (TETA NO: 07-153)

Sizanani Training and Development courses material was developed and refined by experts and our instructors and assessors deliver a high standard of training.

Objectives

Realizing that there is a huge demand for basic and advanced training as well as specialized training at the work place, accompanied by a valid and accredited certificate, Sizanani Training and Development objectives are:

- ❖ To empower employees with knowledge through training
- ❖ To uplift and enhance the standard of living and work by empowering people
- ❖ To contribute to safer work places
- ❖ To ensure that the contents and methodology are of international standards and adapted for the South African environment
- ❖ To continuously adapt, develop and refine training systems and material to be updated with the latest trends in the market and the ever changing and dynamic work environment

Key to success

Sizanani Training and Development strives to excellence in performance, fulfilling the promise, be reliable and trustworthy. Sizanani Training and Development management believes that with the best training material and dedicated staff in place we can build a long term satisfied client base. Management demands that training be delivered on time and that all training course material and manuals are of a high standard.

Marketing

Since the introduction of the Skills Development Act and the training levies that can be claimed back, the demand for training at the work place increased tremendously. More companies realize the benefits and advantages of a more competent work force and the financial benefits to train their employees.

Sizanani Training and Development focuses your management structure on quality training at reasonable and market related rates, backed by an effective and reliable after sales service. All clients are notified of re-certification dates for employees as well as changes in the relevant act and regulations.

MISSION STATEMENT

Sizanani Training and Development mission is to:

- ❖ Establish and maintain long term business relationship with our clients
- ❖ Render professional and trust worthy training services to those in need of it
- ❖ Familiarize trainees with occupational health and safety requisites
- ❖ Equip trainees with knowledge and practical skills ensuring a safe and efficient work environment
- ❖ Ensure that continuous high standard of training is implemented and maintained within the company
- ❖ Ultimately add value to our customers, employees and business
- ❖ Be adaptable and never stagnate
- ❖ Continuously analyze the industry in pursuit of opportunities to contribute to the demands of the work environment

VISION STATEMENT

Sizanani Training and Development vision is to:

- ❖ Be regarded as the leading training and development company in South Africa
- ❖ Be the “Preferred Training Company” and partner of choice to customers requiring service in Occupational Health and Safety training.
