All our safety signs are printed on rigid high impact-resistant ABS 0,9 mm thick plastic or 0,6mm Chromadek Rust-Proof Steel in consistent bright and vibrant colours that will withstand exposure to UV light for at least three years. Crisp and sharp, they fully comply with legal requirements and meet the SANS 1186 specifications for recognisable communication of hazards and actions without the need for words, conveying effectively in all 11 languages.
Available in five sizes: 150mm*150mm, 190mm*190 mm, 290mm*290mm, 440mm*440mm and 600mm*600mm
