We Secure what matters most in your life...

MANUFACTURERS AND INSTALLERS OF
CUSTOM BUILT SECURITY GATES, SLAMLOCK
RETRACTABLE SECURITY GATES &
BURGLAR BARS.

Who are we?

Based in Kwa-Zulu Natal, Rhino Door has been operational since 2005. Rhino Door are manufacturers and installers of premium retractable security gates, swing gates, burglar proofing and window fixtures. In addition to security fixtures Rhino Door also offers a range of light engineering work.

At Rhino Door, our products are manufactured specifically to suit your needs and specifications.

We offer You, our customer, products of the highest quality, at the most competitive price. We pride ourselves on professionalism and take a genuine vested interest in the safety and well-being of all of our customers.

Custom Designed...

Rhino Doors are manufactured specifically for your needs and designed by South African Engineers for your safety. Our products are manufactured from industrial hardened aluminium or electro galvanized, powder coated steel and fitted with stainless steel slam lock as standard.

Competitive Price...

Rhino Doors are competitively priced and we always aim to give you, our customer, the best value for money! We offer custom security design to suit your home as well as your pocket!

Quality Built...

Rhino Doors are manufactured in-house from high quality SABS approved materials and installed by a trained Rhino Door installation team. Rhino Door operates under the ISO 9001 certification, this certification confirms our high levels of quality manufacturing excellence and workmanship.

Guarantee...

We offer a 3 year comprehensive manufacturing guarantee, and a 5 year anti-rust guarantee on all Rhino Door products.
