For All Your Cleaning Solutions

Helping you meet HACCP standards

Brushware Colour Coding

Hazard Analysis Critical Control Points (HACCP), the worldwide preventative system for assuring safe production and preparation of food, covers all aspects of food safety from refrigeration to cross-contamination prevention.

Bristle Characteristics Key

Bristles are manufactured from Polyester (PBT).

Soft Bristle - Medium Bristle - Hard Bristle

Cloth Colour Coding

Industrial cleaning has never been so easy, thanks to colour coded cloths ranging from floors to countertops.

CLEANING INDUSTRY	FOOD INDUSTRY
RED toilets, urinals	RED meat area
BLUE windows, mirrors	BLUE fish area
GREEN multi-purpose	GREEN vegetable area
YELLOW damp or dry dusting	YELLOW poultry area
WHITE walls	WHITE dairy area

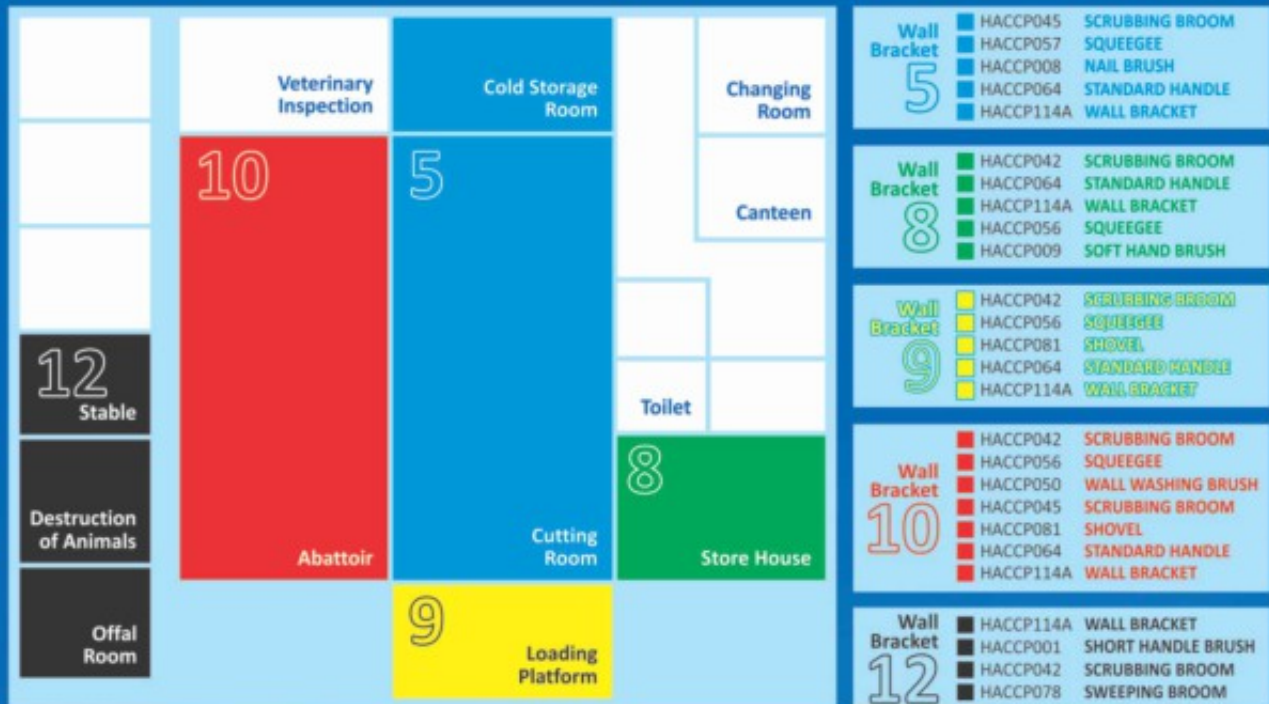

Cutting Board Colour Coding

Very hygienic solution for eliminating cross-contamination of foods.

Example of Colour Coding - Abattoir

Use HACCP Colour Coding to Avoid Cross-Contamination.

Caprichem and its representatives are able to offer the following services:

- Assessment of factory to establish the chemical and brushware needs of the factory as a whole.
- A diagram layout of the factory depicting the colour zoning.
- Allocation by numbering system of wall brackets throughout factory.
- Training of staff: Basic hygiene, How to clean effectively, How to dilute and use chemicals, How to care for cleaning equipment, Documentation and Training certificates.

Contents

- 2**  **Hygiene Cleaning Equipment Vikan**
Brushes, Brooms, Squeegees, Scrapers, Spades, etc.

Gloves, Boots, Masks, Overalls, Rainsuits, Aprons, Reflective Jackets, etc.
- 24**  **Plastic Products**
Basins, Buckets, Laundry Bins, Laundry Baskets, Refuse Bins, Storage Bins, etc.
- 26**  **Floorcare Equipment**
Double Bucket Trolley Systems, Single Bucket Trolley Systems, Janitorial Trolley Systems, Floor Signs, etc.
- 28**  **High Pressure Cleaning Machines**
Cold Water High Pressure Cleaners, Vacuum Cleaners, Scrubbing Machines, etc.
- 29**  **Cleaning Machines**
Vacuum Cleaners, Scrubbing/Polishing Machines, etc.
- 30**  **Housekeeping Equipment**
Vacuum Cleaners, Floor Cleaning Machines, Janitorial Trolleys, Mopping Equipment, Housekeeping Trolleys, etc.
- 31**  **Chemical Dosing Systems**
Portion Controlled Systems, Foaming Units, Electronic Dosing Units, etc.
- 33**  **Dishwashing Machines**
Glass Washers, Dishwashers, Conveyor Dishwashers, Racks, Baskets, etc.
- 34**  **Hardware**
Paint Brushes, Roller, Scrapers, Sand Paper, etc.

Features & Benefits

- Improve the quality of day-to-day cleaning
- Conforms to HACCP standards
- Cross-contamination is minimised
- Employees are encouraged to pay greater attention to hygiene
- Enforces higher cleaning standards
- Brush components are resistant to solvents and chemicals
- Improve internal hygiene assurance
- Cleaning costs are reduced

Why choose Retractable Hose Reels

- Hoses are stored off the ground
- Always packed away and easy to find
- Increases lifespan of hoses
- Hoses remain straight - no twisting
- Hygienic
- Reduces wear on waterguns
- You only use as much hose as you actually need
- Industrial strength
- No water leaks
- Retractable coil spring is maintenance-free

Hand Towel Dispensers

■ WD-001HS **EXCEL AUTOTOWEL MANUAL DISPENSER**

The Autotowel is a stylish paper towel dispensing system to compliment the rest of the Excel range. It is made from Grade 304 1.2mm brushed stainless steel. This is a manual dispensing unit which is perfect in today's green friendly lifestyle. No need for batteries or electricity means that there is less pollution to our environment.

■ WD-006HS **AUTOTOWEL LAMINATE PAPER**

■ WD-006HS **AUTOTOWEL LAMINATE PAPER**

■ WD-010KC **REFLEX HAND TOWEL DISPENSER - S/STEEL**

Consumption control reduces waste and saves cost. Ultra-hygienic because there is no button or lever to be pressed. Range of towels available (1 and 2 Ply) Strong lockable dispensers reduce theft. Ideal for high-traffic, premium and economy washrooms.

- WD-014KC **KLEENEX REFLEX TOWEL TWO PLY**
- WD-015PC **HOUSE BRAND REFLEX TOWEL TWO PLY**
- WD-016KC **SCOTT REFLEX TOWEL ONE PLY**
- WD-017PC **HOUSE BRAND REFLEX TOWEL ONE PLY**

■ WD-014KC **KLEENEX REFLEX TOWEL TWO PLY**

■ WD-018KC **REFLEX SLIMROLL HAND TOWEL DISPENSER**

Ideal for: dispensing rolled hand towels, without the need to touch the dispenser, in a high capacity format, perfect for high-traffic areas or when space is limited; easy loading, it offers a smart, hygienic and cost effective solution when you need it most.

■ WD-002HS **EXCEL WASTECARE BIN STAINLESS STEEL**

This newly developed wastecare bin once again brings an industry first innovation to the market to take care of unsightly paper waste bins, where liners protrude over the side. This wastecare bin is in the same generic style as design as the EXCEL range.

■ WD-007HS **WASTECARE LINERS ON A ROLL**

■ WD-007HS **WASTECARE LINERS ON A ROLL**

■ WD-011KC **REFLEX DISPOSER BIN - S/STEEL**

Ergonomically designed for maximum effective use of space. Wall-attached to facilitate easy floor cleaning. Designed for efficient disposal of waste paper. Attractive, functional and hygienic. Holds 35 litres of waste.

■ WD-003HS **AUTOTOWEL MANUAL PAPER DISPENSER**
■ WD-004HS **AUTOTOWEL SENSOR PAPER DISPENSER**

The Autotowel offers both manual and sensor driven options in the same look. The manual option has 2 paper length mechanisms, cutting sheets at 235mm and 280mm. The sensor unit offers a number of adjustable features including paper length, delay time, sensor proximity and retrofit mains power transformer. The most prominent feature of the sensor unit is its ability to deliver up to 40 rolls of paper from a set of copper top alkaline batteries.

■ WD-006HS **AUTOTOWEL LAMINATE PAPER**

■ WD-012KC **REFLEX TOWEL DISPENSER**

Ideal for: dispensing single sheets of SCOTT® Rolled Hand Towel, without the need to touch the dispenser, in busy washrooms in work areas, such as food processing environments and public venues, such as airports etc.

- WD-014KC **KLEENEX REFLEX TOWEL TWO PLY**
- WD-015PC **HOUSE BRAND REFLEX TOWEL TWO PLY**
- WD-016KC **SCOTT REFLEX TOWEL ONE PLY**
- WD-017PC **HOUSE BRAND REFLEX TOWEL ONE PLY**

■ WD-016KC **SCOTT REFLEX TOWEL ONE PLY**

■ WD-019KC **SCOTT SLIMROLL HAND TOWEL ONE PLY 200mm X 165mm / 6 Rolls 1 Ply**
Superior strength, absorbency and hygiene in an affordable package. The Scott 6657 Slimroll hand towels are ideal for all high traffic areas including washrooms, staff toilets and public restrooms.
Size: 200mm X 250mm / 1 Ply.

■ WD-005HS **WASTECARE BIN**

The newly developed Wastecare Bin brings an industry first innovation to the washroom to take care of unsightly paper waste. Its stylish flowing lines will match most paper dispensers. Unique features include the clip out waste chute made from polypropylene plastic that allows for easy cleaning and can be interchanged for another colour to compliment most washrooms.

■ WD-007HS **WASTECARE LINERS ON A ROLL**

■ WD-013KC **REFLEX DISPOSER BIN**

Ideal for: all washroom environments where a waste bin is required; easy dispensing of waste with a chute style lid designed to make the disposal of waste effortless and without need to touch the bin. Easy to clean with no dirt traps. Available in 43 litre capacity; ABS impact resistant plastic, providing durability and easy clean surface.

Washroom Dispensers

Roll Control Dispensers

WD-030KC
ROLL CONTROL HAND
TOWEL DISPENSER

Ideal for: quickly and easily dispensing WYPALL®-rolled single-sheet wipers, without the need to touch the dispenser; busy food areas, helping to maintaining hygiene standards.

WD-031KC
KLEENEX ROLL CONTROL
TWO PLY
235mm x 315mm 4 Rolls of 635
Delivers separate sheets one by one. Reduces excessive waste caused by towel streaming. 2 ply absorption and strength-less towel is needed to dry hands. Sheet size - 235mm x 315mm(w/l). Packaging - 4 ROLLS of 635. Colour -White. 2 Ply, 24 GSM.

WD-032KC
SCOTT ROLL CONTROL
TOWEL ONE PLY
205mm x 444mm 4 Rolls of 585
Off-set perforated roll makes one sheet available at a time. Sheet by sheet dispensing reduces wastage and cost. Sheet size - 205mm x 444mm(w/l). Packaging - 4 ROLLS of 585. Colour - White. 1 Ply, 28 GSM.

WD-033KC
SCOTT BARREL TOWEL
ONE PLY
235mm x 444mm 4 Rolls of 800
Reliable 1 ply absorbency. Perforated for controlled, economical dispensing. 4 ROLLS of 800 sheets. Sheet size - 235mm x 444mm(w/l). Packaging - 4 ROLLS of 800. Colour - White, 1 ply. 28 GSM.

WD-034LKW
MODULAR
CENTRE-PULL DISPENSER

Stylish modern design. Unique tear-off mechanism and flow restrictor plate - which cleverly avoids paper wastage. Capacity - roll diameter 20cm, roll height 20cm. Supplied with fixing screws, wall plugs and key.

WD-035PC
HOUSE BRAND BARREL
TOWEL ONE PLY
This naturally bleached, eco-friendly bathroom tissue is luxurious, white and strong. In the production of Essential Green, conservation and protection of natural resources is their first priority. Size: 200mm X 350m / 4 Rolls 1 Ply.

Interleave Dispensers

WD-060LKW
INTERLEAVE
DISPENSER MERCURY

The Mercury multiflat toilet paper dispenser is a modern unit with a black and stainless steel finish that has all the functions and long-lasting appeal of larger models, but slots neatly and attractively into the smallest washrooms.

WD-062KC
SCOTT INTERLEAVE
TISSUE ONE PLY
SCOTT® Soft Interleaved Toilet Tissue is the preferred alternative for quality and value. The high capacity single sheet dispensing system reduces janitorial maintenance, eliminates roll waste and improves hygiene. Individually dispensed for user convenience and to reduce waste. Delivers exceptional value. Designed to offer a cost effective solution for use in high traffic areas. Size: 105mm X 213mm / 30 Packs of 500 Sheets 1 Ply

WD-061LKW
INTERLEAVE
DISPENSER MODULAR

This dispenser is suitable for multiflat or flatpack tissue. Designed for commercial or light industrial applications, the dispenser is made from smooth injection moulded plastic and features a self-locking cover with a universal key.

WD-063KC
KLEENEX INTERLEAVE
TISSUE TWO PLY
Supplied in ready-to-use packs of individual sleeves. Superior performance cuts usage, delivering cost savings. This product has no core so there's no wasted ends of rolls. Size: 105mm X 213mm / 30 Packs of 250 Sheets 2 Ply.

Folded Hand Towel Dispensers

WD-040AF
FOLDED HAND TOWEL
DISPENSER S/STEEL

Stainless Steel Body. Uses the TIDY Interfold paper towels. User manually retrieves a folded paper towel from the dispenser. Lockable. Holds up to 400 1-ply or 200 2-ply towels.

Toilet Roll Dispensers

WD-090LKW
JUMBO TOILET ROLL
DISPENSER MERCURY

The Mercury jumbo toilet paper dispenser offers a clever combination of style and practicality. Its design enables a full roll alongside a stub roll, reducing paper waste and helping to keep the cubicle neat and tidy, while its stainless steel finish brings an immediate touch of modern luxury to any washroom. Branding options are available for the addition of a company's logo to the jumbo toilet paper dispenser.

WD-091LKW
JUMBO TOILET ROLL
DISPENSER MODULAR

This dispenser is made from smooth, injection moulded plastic and has a self-locking cover, accessed using a universal modular key (supplied). It is suitable for a wide range of commercial toilet rolls, compatible with both perforated and un-perforated papers and comes with a reversible spigot to accommodate varying roll core diameters. The dispenser also incorporates a display window and large graphics plaque that can be customised with your company logo.

WD-092KC
JUMBO TOILET ROLL
DISPENSER AQUARIUS

Ideal for: dispensing rolled toilet tissue in an elegant format for high-traffic areas; easy loading, it offers a smart, hygienic and cost effective solution when you need it most. Available as: a large, sealed quick-fill dispenser that can hold a main roll and a stub roll side by side (with a 60mm or 70mm core size) to control waste, with a white, high-gloss, easy-clean finish and no dirt or dust traps plus a window so you can see when refills are needed.

WD-093KC SCOTT DECA ROLL ONE PLY 8 ROLLS

The equivalent of 8 rolls of bathroom tissue in one roll. Delivering high capacity with minimal maintenance. Greater cost and time efficiency. Ideal for high traffic areas.
Sheet size - 100mm x 550m(w/l).
Colour -White. Packaging - 8 ROLLS, 1 ply

WD-094MS HOUSE BRAND DECA ROLL ONE PLY 10 ROLLS

Hand Soap Dispensers

■ **WD-130HS**
EXCEL SANITEX HAND SOAP
DISPENSER S/STEEL - 800ML

Hand washing is the activity that has the single largest impact on reducing the spread of disease. The Sanitex soap dispenser can accept choice of innovating liquid foam pumps which provide flexibility for a user's preferred soap option (Antibacterial, lotion, foam and alcohol hand sanitizers) without the necessity to change the entire dispenser.

■ **WD-132HS** **SDI - LIQUID SOAP - 800ML**

■ **WD-131HS** **SANITEX HAND SOAP**
DISPENSER - 800ML

Hand washing is the activity that has the single largest impact on reducing the spread of disease. The SDI can accept a choice of innovative liquid or foam pumps which provide flexibility for a choice of users preferred soap option (antibacterial, lotion, foam and alcohol sanitizers) without the necessity to change the entire dispenser.

■ **WD-132HS** **SDI - LIQUID SOAP - 800ML**

■ **WD-132HS**
SDI - LIQUID SOAP - 800ML

Foam Soap Refill: Fixed 0.6ml shot size, providing approximately 1400 shots per refill. Only one dose is required per hand wash. Product is white in colour. Sanitex refills are available in high quality, pleasantly fragranced, luxurious liquid or foam soap formats. Dermatologically tested with a pH of 5.5, these refills are suitable for frequent use and sensitive skin.

■ **WD-133AF**
STAINLESS STEEL SOAP
DISPENSER - 1 LITRE

Manufactured in Stainless Steel. 304 Stainless Steel (0.80mm). Polished Satin Finish. Lockable: Key Locking System. Capacity: 1000ml (1 Litre). Dimensions: 209 x 125 x 61 mm.

The Mercury soap dispenser is classy and modern. Its stainless steel finish will bring any washroom a touch of luxury. It is the ideal soap dispenser for high-end facilities, such as stylish hostels or trendy restaurants & lounge bars. Multipurpose: interchangeable pumps and containers. Two side viewing windows to check stock levels. Strong, durable design. (H)255 x (W)130 x (D)120

Take a look at this for style: a sleek, stylish soap dispenser that makes hand-washing feel luxurious. But Mercury isn't all about looks. Under the clean finish, this multi-purpose dispenser fits more hand-care products than any other on the market. With interchangeable pumps and fittings for refillable reservoir, disposable soap cartridges or pouches, this dispenser is versatile – but can also be locked to your product, so customers always use your brand.

Baby Care Stations

1 WD-180HS BABY CHANGE STATION - WHITE HORIZONTAL
2 WD-181HS BABY CHANGE STATION - WHITE VERTICAL

Installing a Babyminder changing station provides parents with a safe, convenient and hygienic changing facility in away from home locations and is now considered to be of equal importance as the provision of other essential facilities. The Babyminder is available in both vertical and horizontal options to fit in with the space requirements offered in a public restroom. The ergonomically designed station with a safety belt ensures that the user's child will be comfortable and safe during their changing experience. The unit also comes with moulded bag hangers to assist the user during changing and a surface sanitizer dispenser can be used to sanitize the unit before each use.

**WD-182HS
NAPPYMINDER WASTE BIN**

The Nappyminder bin is the ideal away from home waste disposal system. Disposing of nappy waste in traditional waste bins is extremely unhygienic and could pose multiple diseases and foul odours. The Nappyminder bin is specially designed with a foot pedal access to a non-return chute to prevent odours and harmful bacteria from leaving the unit. With its 50 litre capacity the bin will only need to be serviced once a day on high traffic areas such as shopping centres and old age homes.

Aerosol Dispensers

WD-190HS
EXCEL AIRMIST
AEROSOL DISPENSER

Airmist fragrance dispenser available in 270ml with programmable features which include real time programmability, service frequency setting, on and off days, alarm features and a battery indicator. The patented IPE (Intensity Plus Event) function, enables fragrance intensity programming, but allowing the user up to 3 periods per day for enhanced fragrance delivery to suit location requirements. Up to 2 years of battery life using alkaline batteries. Airmist delivers more neutraliser and fragrance with less propellant. This product is manufactured from 0.9 Grade 304 brushed Stainless Steel.

WD-191HS

Air Purifying Dispensers

The Kitz® Purifier is a revolutionary product that draws in and treats contaminated air with the Kitz® Botanical Solution. It draws air in using a high-speed motor running at +/- 3000 rotations per minute. It's so fast it creates a cyclonic or tornado-like air movement. This powerful motor draws in and jets out the water and botanical extract solution at a high speed. As a result, an air-scrubbing effect is produced.

BO-PUR001
KITZ AIR PURIFIER
STANDARD UNIT

The Standard Kitz model has no lights, nor base. Can sit on any flat surface. Has a sensor switch, just lift the covertop off the bowl for the unit to switch off.

BO-PUR002
KITZ AIR PURIFIER
RAINBOW UNIT

The Rainbow Kitz model has lights in the base which can be off, remain on one colour, or interchange while the unit is running. It can also be used as a nightlight with seven different colours.

HOW IT WORKS

3. Treated germ free, clean, deodorize air released back into the room

2. Scrubbing effect - eliminates bacteria, fungi, odours and other airborne contaminants

Promotes ease of breathing and soothes the senses.

BO-PURF013
LOTUS
Promotes healing and aids meditation.

Sanitiser Dispensers

WD-200HS
EXCEL AUTOFLUSH

Research as to why bad odours occur in men's washrooms has proven that most men don't flush! The Excel Autoflush solves this problem and reduces the risk of cross-contamination. As the user approaches the urinal the sensor picks up his presence, the unit gives it a two second preflush to wet the urinal. Once the user walks away the unit flushes for either five or seven seconds. This prevents the build up of uric acid in the trap, and eliminates the opportunity for bacterial growth and bad odour to occur. Chromed stainless steel finish. This product carries a 2 year guarantee.

WD-202HS
QUADRASAN AUTO
SANITISER DISPENSER

The Quadrasan dispenser provides the most effective automatic hygiene system that ensures clean sanitised and odour free toilets and urinals 24hrs a day. 99% of bacteria and germs are killed in the first flush. Hard water deposits are actively attacked while scale and unsightly stains are prevented, eliminating the breeding ground of odour causing bacteria. This product carries a 5 year guarantee.

Benefits Of Purchasing Our Floorcare Equipment

- Manufactured with features engineered to save you time and money
- Perfect for small or large accounts, for transporting, organizing and storing your cleaning supplies
- Assists with the prevention of cross-contamination
- Easy to assemble with minimum tools and effort required
- Enforces higher cleaning standards
- Non-marking wheels and casters protect the floors and surrounding areas
- Provide employees with the right tools for the job to increase worker satisfaction

Having unlimited access to floor cleaning equipment means you're likely cleaning more often, thus equalling cleaner facilities. This can save you your reputation and time spent restoring floors in the long run.

Productivity rate 475m²/h
Pad/brush speed 190rpm
Pad/brush pressure 22g/cm²
Pad/brush diameter 43cm
Sound pressure level 53dB(A)
Sound pressure level with vacuum 69dB(A)
Dimensions with handle (L x W x H) 65 x 47 x 121cm
Weight 32kg
Cable length 15M
Warranty 1 year walk in

■ CDS-400 NIAGRA 281 DISH MACHINE SINGLE TANK

The product Ergonomic and versatile hood-type dishwasher (hood opening 410mm) can wash pizza plates and gastronorm 1/1 trays; the theoretical output can reach 900 plates/hr**. Two selectable cycles, in-line or corner installations are possible without modifications. The reduced hood lift strength and the easy to clean construction make the operators 'fatigue lower and their efficiency higher. Twice less noisy than the old generation unit. Its reduced water and energy consumptions makes you save.

■ CDS-410 PLUVIA 280 DISH MACHINE SINGLE TANK

The product Ergonomic and versatile hood-type dishwasher (hood opening 410mm) can wash pizza plates and gastronorm 1/1 trays; the theoretical output can reach 900 plates/hr**. Two selectable cycles, in-line or corner installations are possible without modifications. The reduced hood lift strength and the easy to clean construction make the operators 'fatigue lower and their efficiency higher. Twice less noisy than the old generation unit.
