Dear Sir/Madam,

Grachelle Solutions is an experienced company in the sourcing, supply, design and manufacture of engineering components. **Grachelle Solutions** mission is to source and supply high quality and reliable products to our clients. Our proactive approach to technical issues enables our clients to understand and implement cost effective solutions to their production needs.

Grachelle Solutions understands that you are looking for a trustworthy vendor for your existing and future projects. Another important strength of **Grachelle Solutions** is time management. We render our maximum effort to sourcing and fulfilling customer requirements in achieving best quality, timely delivery at a competitive cost.

Grachelle Solutions has been issued with a B-BBEE Level 3 compliance certificate.

We welcome your interest in forming a partnership with **Grachelle Solutions** where both our organizations will grow and prosper.

Thanking you and assuring you of our best services at all times.

Yours truly,

Rachelle Boulton
