What we will need from you for your website:

1. Logo, preferably highest quality.
2. Titles of each page. Example: Home, About Us, Services, Gallery, Contact Us.
3. Text copy content for each page including images if you have. If you don't have, I can source for you.
4. If you have a company profile please send it as this could be of use.
5. A brief description of the website design style that you would like, if you don't have an idea then the site will be designed using your Logo colors and style as reference, changes to the style can be made when you preview the site.

PLEASE NOTE

- *We reserve the right to change our product's prices at any time without further notice*
- *The website takes approximately 7 days to complete!*
- *Quotes are only valid for 30 days*

- *We ask for a full payment on all websites to be done before we can start working. As we must register the domain it takes about 24 hours to be set up.*

We are very excited to help you create your new website!

Best Regards,
