WEB & EMAIL HOSTING

Every website is hosted somewhere. Hosting means to store your website on a server that has the software, hardware and internet connection required to keep your website accessible throughout the world. We offer one of the best servers in the world and offer priority support to all our hosting clients.

Our hosting packages can be paid on a month-to-month basis, or they can be renewed in advance for a year which grants a 10% discount for every domain.

Advanced Package

- ✓ 1 GB Disk Space
- ✓ 2.5 GB Bandwidth

R90 p/m
