

Bariki

Holdings (Pty) Ltd

“For a better Health and the discoveries of tomorrow”

**Laboratory / Safety wear and
Medical supplier**

PASSION

We have the passion to make a difference and to be the best in everything we do.

We are committed and totally focused to achieve our goals. It's about living life and every day with energy, positivity and enthusiasm.

We are passionate about new ideas and giving people the freedom to experiment without fear of failure. We want and need to learn. We are passionate about people wanting to work with us.

PARTNERSHIP

This is about making sure that everyone who comes into contact with our business has the opportunity to develop, benefit and succeed from our relationship.

Our belief is that we cannot achieve our goals without the mutual assistance, guidance and support of our employees, our suppliers, our community and our environment.

INTEGRITY

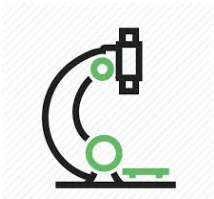

we are fair, honest and truthful in our dealings. We are reliable by delivering what we say or are tasked to deliver accurately and on time. We do the right thing.

We present ourselves as an organisation and people that are professional, reliable and ready to do business to the highest standards. Anyone dealing with our organisation and staff will have complete faith in us.
