

Steel Structures

Mild Steel

Gates

- ❖ Our gates come in a standard design or we can custom design it to our customer's specifications.
- ❖ Gates can be designed as a security gate (includes hinges) as well as for the drive way, which includes the roller kit.

- ❖ Our gates can be manufactured from Stainless steel, mild steel or wrought iron.
- ❖ Joint Rise trading will also refurbish and strengthen existing gates to our customer's requirements.

Palisades

- ❖ Our Palisade fencing comes in many different sizes and designs as well as a standard design.
- ❖ Joint Rise trading will also refurbish and strengthen existing palisade fencing to our customer's requirements.

Steel Structures

❖ Joint Rise Trading specializes in steel structures such as warehouse structures, factory structures and car ports.
