

SMART Designs
& Turnkey Projects PTY Ltd.

Turning ordinary *spaces* into extraordinary *places*

About Our Company

SMART DESIGNS is a design, manufacturing and installation company with a special focus on **turnkey projects**. We transform your space into a masterpiece.

Situated in the East Rand [Gauteng, South Africa], our skilled workmanship has reached as far as **Nigeria**, with projects completed in **Angola, Ghana, Malawi and Mozambique**.

Our turnkey solutions cover sectors ranging from **retail, hospitality, corporate to residential**.

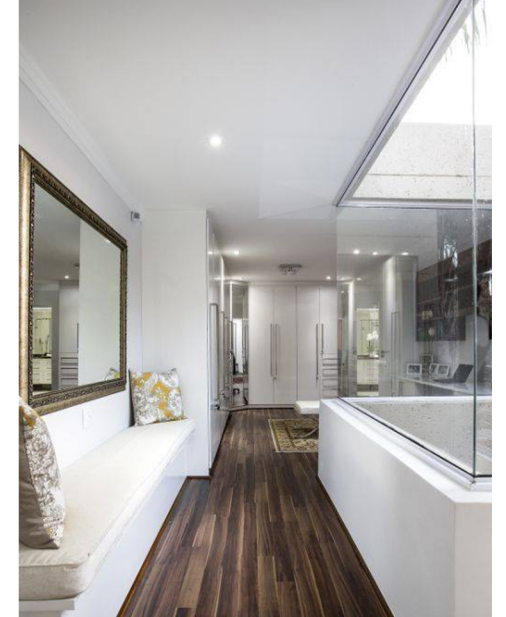

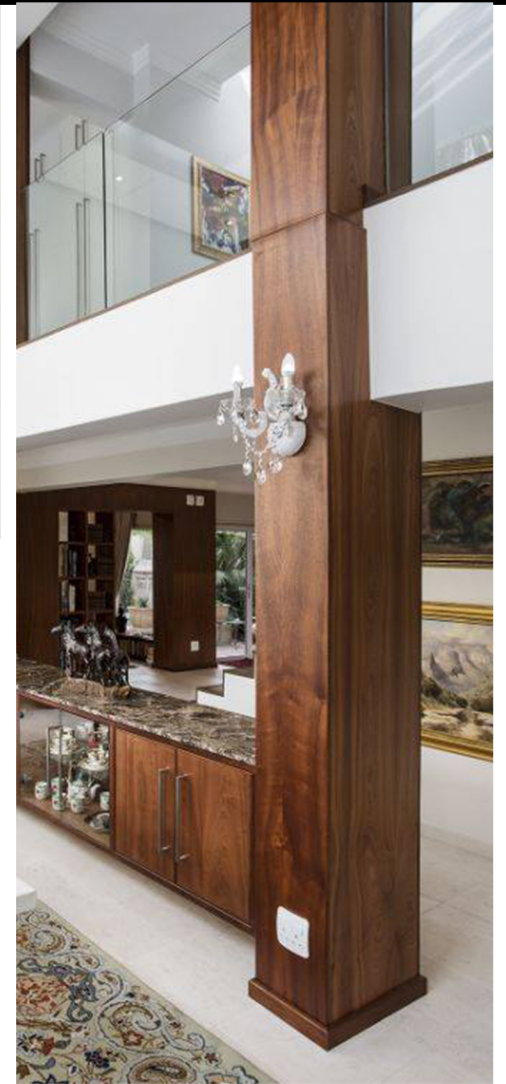

Commitment to deadlines coupled with quality products, experience and excellence in service, makes Smart Designs, the Smart Choice for your next project.

Corporate Design

We take your companies unique identity and use it to create an unique and beautiful space.

Residential

We will use our expertise to turn your ordinary house into an extraordinary home.

Retail

We combine our different forms of expertise to ensure a successful design for your retail space

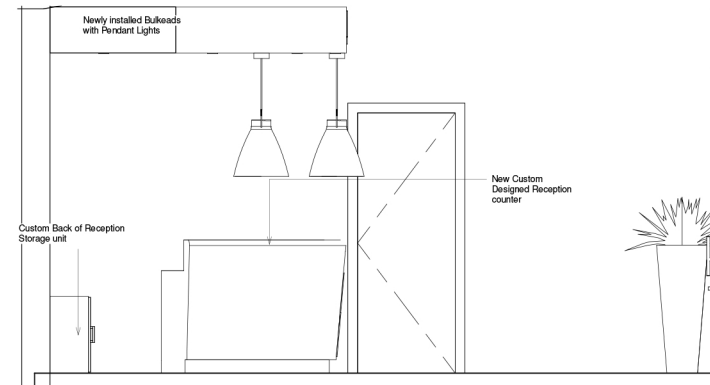

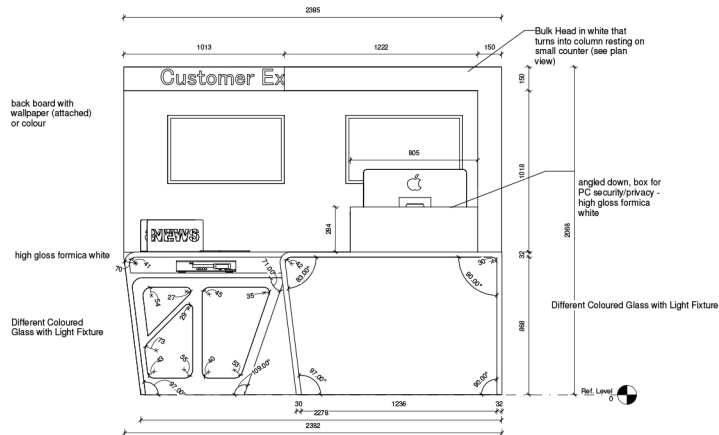

3D Rendering

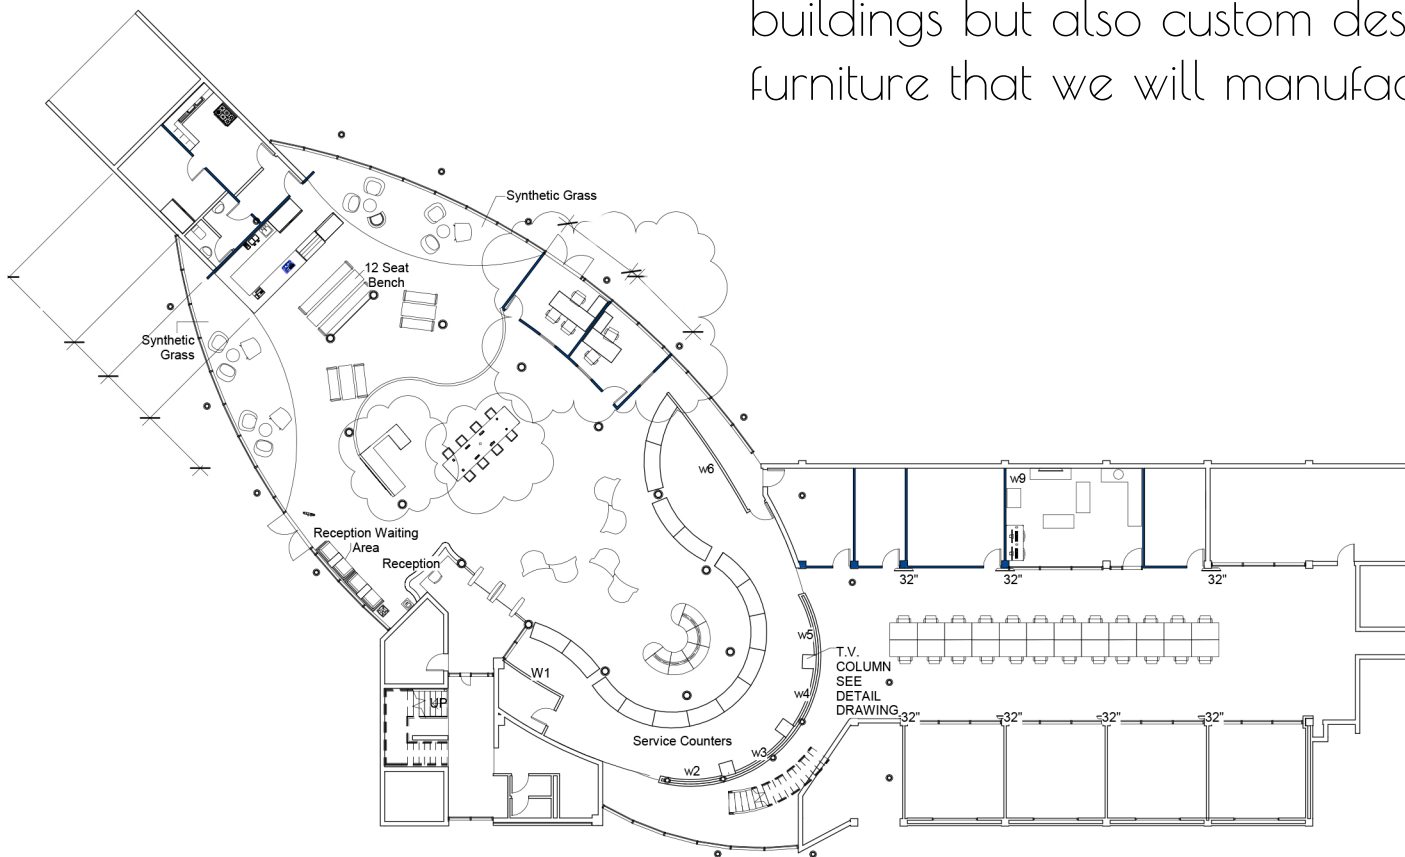

We take the time to generate photorealistic images of your design. So that you could visualise the potential of your Project
