1459

### **Multi Roll is multi-functional**

The cloth can easily be cut to any size that is required and used on any other surfaces like tables, furniture and floors where protection of moisture is needed.

---

*“Wow what a huge change from using paper towels that was always soggy , and my towels and linens are staying cleaner longer , not to mention my laundry bill ”*

---

### **Other products to look out for?**

We are currently busy manufacturing a wall and bed mounted stand to accommodate the Multi Roll.

We will be looking at manufacturing mattress, Pillow and disposable underwear in the next year to come.

*Standard Roll*

Conventional paper towels does cost you more in the long run, in comparison to Multi Roll.

### **Our Products and Services**

Hygiene Disposable Wear is covering a wide variety of Industries and products.

- Disposable car seat covers
- Car spray painting covers
- Disposable overalls
- Paint contractors drop sheets

*Multi Rolls fully stocked*

## **What makes Multi Roll unique?**

### **Here are a couple of ideas...**

The cloth is Hydrophobic non-woven , spun bound coated with LDPE , and because of its versatility and strength is very economical to use
