Multi Rolls fully stocked

What makes Multi Roll unique?

The cloth is Hydrophobic non-woven , spun bound coated with LDPE , and because of its versatility and strength is very economical to use

Multi Roll is multi-functional

The cloth can easily be cut to any size that is required and used on any other surfaces like tables, furniture and floors were protection of moisture is needed.

“ What a pleasure working with a Multi Roll , covering vehicles is now easier as before and we have cut down on costs and unnecessary wastages ”

Other products to look out for?

We are currently busy manufacturing a wall and bed mounted stand to accommodate the Multi Roll.

We will be looking at manufacturing mattress, Pillow and disposable underwear in the next year to come.

Disposable car seat Cover (handbrake , gear and Steering wheel cover also available)
