At SSS, our staff will always give you all the right advice when it comes to the best products to use. SSS only uses the "A" grade materials to ensure a job that lasts and lasts and last. For most projects, big and small all over Gauteng and surrounding areas, Please give us a call.

Steel Structures

All our structures are manufactured under the strictest conditions, all workmanship is guaranteed. When we build a structure, we take into account the use of the structure, the weather conditions that the structure is going to stand in and the finished product. This is why we ensure that the structure is built strong, coated well and also looks good.

Painting Service

Our interior and exterior professional painting services include:

- Walls
- Ceilings
- Roofs
- Skirting boards
- Doors
- Special finishes

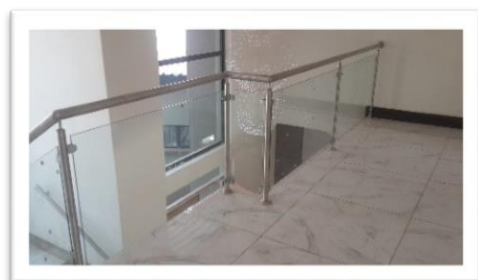

Each surface requires a different approach. We use easy wash paints, heavy duty paints for high wear areas, mould resistant paints for bathrooms and other wet areas and more.

Balustrades

Our balustrades services include:

- Interior and exterior balustrades
- Stainless steel and mild steel balustrades
- Glass Balustrades

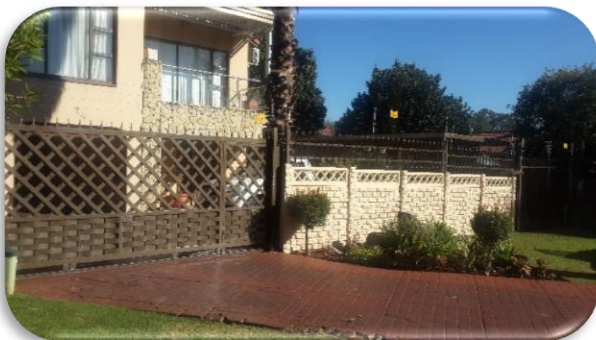

Windows, Doors & Fence makeovers

Doors and windows are a hardworking part of your home - they are prone to the weather and mechanical action as they are regularly opened & closed. And your fence is the first thing people see. At SSS, we pride ourselves into making sure that you doors, windows & boundary fence are taken care of.
