# Company Overview

## Our Values, Vision & Mission

### Vision

To be recognised as a company and partner of choice for delivering on our promises, pioneering new opportunities and approaches and bringing value to our industry, shareholders and community.

### Mission

To make a long-term difference in our industry and earn the trust of our clients, partners and shareholders.

### Values

- **THE TRUST EARNED** Trust isn't given; it's earned. By consistently delivering on our promises, whether to our customers, colleagues, partners or shareholders, we build successful relationships that are built on accountability and Mutual respect. This is essential to our long-term success.
- **OUR DRIVE TO SUCCEED** Our passion for what we do comes through in every area of our business. We are confident, committed and open minded, which enables us to pioneer new and better solutions and approaches, whether analysing data or at the negotiating table.
- **PUTTING THE COMPANY FIRST** We know we can achieve far more as a Company than we can as individuals. Our collegial culture and flat hierarchy Means we consider different points of view and approaches to deliver the best solution for the business. When the business succeeds, we succeed.
- **ENJOYING THE CHALLENGE** For us, it is fun to always want to be better, and this means trying new Things and always looking for better ways to reach our goals. We are proud of what we do and our integrity in delivering it.

### Construction

Convenient on-site diesel refuelling services assist with preventing theft of diesel and ensures little to no down-time in case of emergencies.

### Fleet

Our real time refilling system ensures that fleet and operation managers are fully aware of exactly how much of diesel is being dispensed into individual vehicles, machinery or tanks.

### Emergency

Emergencies are always unexpected, that's why we offer 24/7 emergency diesel delivery and refuelling services in and around Gauteng. Get in touch if you require our assistance!

# About GSD DIESEL

GSD Diesel is a division of The Genset Doctor (PTY) Ltd, all staff are trained to deliver diesel and prime generators if needed. We offer diesel delivery and supply, drainage of contaminated diesel and testing supply.

The Genset Doctor (PTY) Ltd also delivers and installs diesel tanks and automatic PLC systems.

## Our Values

Our GSDD Values reflect who we are and what we stand for as a company.

## Quality

We provide outstanding service and product 24/7 and deliver a premium service to our customers.

## Teamwork

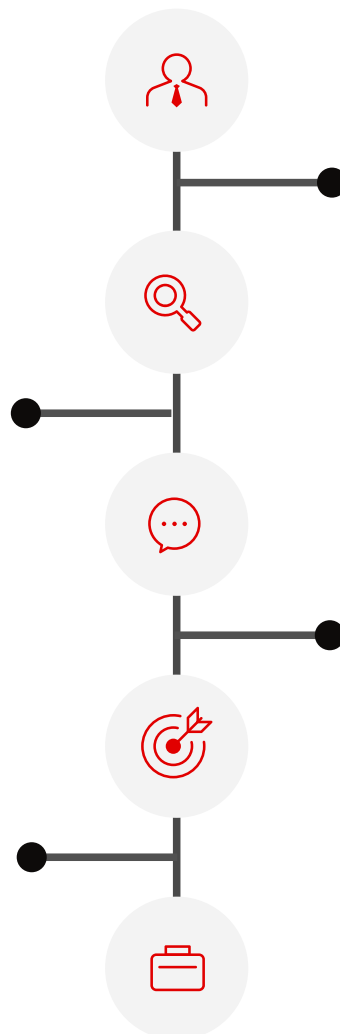

We work together, to meet the needs of our customers and to help the company win across all boundaries.

## Good Citizenship

We are good citizens in the communities in which we live and work.

## Personal Accountability

We are personally accountable for delivering on our commitments .

## Customer Commitment

We develop and create relationships that make a positive difference in our customers daily operations.

## Integrity

We uphold the highest standards of integrity in all our actions.

## Respect for people

We value our people, encourage their development and reward their performance on all levels.

## Will to Win

We exhibit a strong will to win in the marketplace and in every aspect of our business.

# Diesel Services

## Diesel Delivery & Supply

We specialise in diesel delivery & supply, refuelling, refilling, and tank installations across Gauteng, servicing all industries, from agriculture & construction all the way to municipalities & religious institutions.

We put emphasis on excellent customer service, ensuring our clients receive their required diesel service as and when you need it.

Diesel delivery & supply

Drainage of contaminated diesel & testing

Supply, delivery & installation of diesel tanks

Installation of automatic PLC systems

Bulk tanks & fleet fuel management solutions

## Fuel Management Systems | *Robust Fuel Management*

The GSD Diesel Fuel Management system is a robust cloud-hosted solution for fuel management, designed for the private fueling requirements of companies across South Africa.

Whether for a single site or large fleets with multiple fueling sites that need accurately managed control on fueling to minimize losses, our cloud-based solution is the right one for you.

### The Reliable Choice

- We never leave you in the dark, no matter what it takes.
- We Never fuel the dark, we fuel the light.
- All staff are trained to deliver and prime generators if needed.

## Company Partners

**The Genset Doctor (Pty) Ltd**<sup>TM</sup>  
Generator Service & maintenance Specialists

# Why choose **GSD Diesel**?

Our team has been skillfully trained to deliver your diesel and refuel your generator as efficiently as possible,

24/7 Delivery & supply

Mobile card facilities  
for payment

50ppm Fuel dispensed  
& filtered

GSM Modules for 50%  
level & notifications

Supply & SLA  
agreements

## Generator Fuel **Delivery & Refilling**

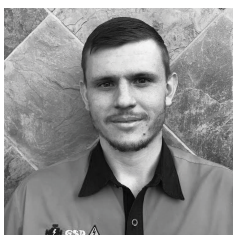

We offer an emergency refilling service in the event of load shedding as well as unexpected power outages, saving you the hassle of lights out when it matters most.

With the ever-present risk of load-shedding, whether you own a home, small business or large company, it is vitally important to have a contingency plan in place.

## Management **Team**

Our team has been skillfully trained to deliver your diesel and refuel your generator as efficiently as possible, ensuring the service you receive is top notch at all times. Our generator refilling service is available 24 hours, 7 days a week, during lights out and emergencies.

Meet our Management Team. The Genset Doctor also boast 5 technical staff and 5 vehicles.
