How do I get my Profit?

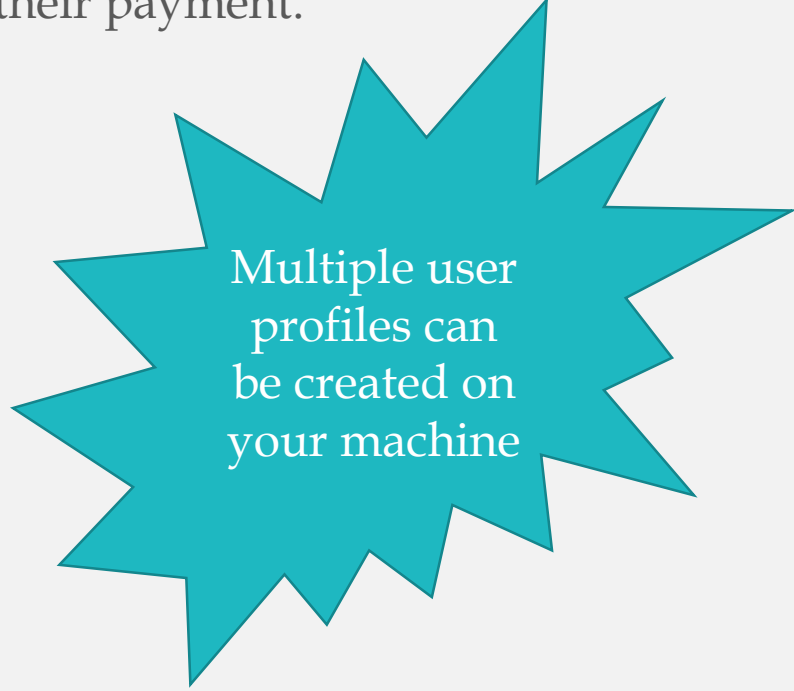

- You sell a Vodacom R10 Voucher to your customer
- Your customer pays you R10 in cash
- When you vend the voucher from your machine only R9.80 will be deducted from your machines airtime wallet.
- When customer made payment to you – your profit is included in their payment.

Vat Invoices
available if
you are vat
registered

Mini
Statements
available to
track sales
and profits

Multiple user
profiles can
be created on
your machine

Send cash to Zimbabwe and receive it at any Econet Zimbabwe Outlet, Steward Bank, or over 100+ Ecocash Agents | **7% profit margin when doing a transfer**

How does this all work?

1. Order your airtime device from us and make payment.
2. We courier all devices to your door or to your local post office.
3. Wait for you machine to arrive.
4. Register for username and password.
5. Make a deposit into your airtime vending account and start selling!

How do I get my Profit?

1. Deposit any amount into your prepaid account.
 2. You can now start selling any of the products available on your machine.
 - 3.
- For example: Customer buys a R99 1 life prepaid vouchers. Customer will pay you the full R99. When you vend the voucher from your machine only R89 will be deducted from your airtime account.
