Company history

Identifying a demand by leading Property Management and Insurance Companies for reliable and trustworthy building maintenance and repair companies, Extreme Handymen was established to fill this need.

With combined experience of over thirty years in the industry the Extreme Handymen Team can deliver!

our Vision

Our vision is to be the most sought after maintenance and repair company in the Property Management and Insurance Company arena whether it be for Corporate, Commercial or Industrial needs.

Our mission is to provide a professional service based on an ethos of integrity, honesty and commitment. We strive to make an honest and reasonable profit without any detriment to the client to grow into a company that can be recommended without hesitation striving towards a superior customer service, confidentiality, professionalism and relationship needs.

Mission statement

Services rendered

Extreme Handymen specializes in the full turnkey spectrum of

- Handyman Services
- Maintenance and Repair Services
- Refurbishment
- Additions and Alterations
- Dry Wall Partitioning
- Shop Front
- Painting
- Water- and Damp Proofing
- Carpentry
- Carpeting
- Plumbing
- Electrical
- Specialized Lighting
- HVAC, CCTV
- LAN Networks.

Unique services

Identifying a need to assist Governing Bodies with the legislated ten year maintenance plan requirement, including provision for major capital items, our company initiated a Service Level Agreement (SLA) for all maintenance requirements.

our Service pledge

“ We offer the full factory or supplier guarantee to the client.

Extreme Handymen also offers a guarantee on workmanship ”
