 **100% ELECTRIC** 

ABOUT US

- Eleksa, one of South Africa's leading distributors of **electric vehicles**, prides itself in providing affordable solutions to many mobile requirements, from daily commuting, to delivery and collection of products. We also have an agricultural range with various utility vehicles.

- With **zero-carbon footprint and no noise pollution**, we believe we can help you make a difference to our environment – and **save you money!!**

We also have the back-up knowledge, equipment, expertise and experience to service and maintain our vehicles.

KEY POINTS

- We have over 12 dealerships nationwide
- Our products have a range of 40- 50km
- We have the only affordable light electric vehicles in SA
- We have spare parts and national back up service
- Electric vehicles are silent and use no fuel.
- Maintenance is limited due to being electric.
