

BICYCLE COURIERS

SOUTHERN AFRICA AND BEYOND

Price list as on 1 September 2021

To/from a shop — from R560

Leave your bicycle at a LBS (local bike shop) and ask them to get it ready for us. If there is a charge to box your bike, settle it with them directly. While you are there, why not have your bike checked, grab a coffee and boost our economy

Door to door — from R649

There is no bike shop involved and we collect from and deliver to your chosen addresses (ie your home, office, hotel, AirBNB, etc). Please ensure that the bicycle is boxed and ready for collection.

Any remote area — from R999

This is for any collection or delivery that takes place outside of Cape Town, Paarl, Stellenbosch, Somerset West, George, Port Elizabeth, East London, Durban, Pietermaritzburg, Nelspruit, Polokwane, Johannesburg, Pretoria, Kimberly & Bloemfontein.

Cross-border* — from R1499

Cross-border bicycle transfers loads of admin (behind-the-scenes) and final pricing depends on quantity, destination, speed, customs, duties and more. As such, it's easier if you contact us to book.
