GET TO KNOW ME BETTER
ON MY WEBSITE,
FACEBOOK, INSTAGRAM,
AND BLOG

I am 100% dedicated to my career and I strive for the most important PP's: Professionalism and perfection. Since I do not have a portfolio album, you can get your first impression of me online, via Facebook, Instagram, website, and blogs.

ARE YOU READY TO MAKE
MY WEDDING PERFECT?

Appropriately the most important question of all, availability.

Nothing is worse than finding an MUA that you love and are quite interested in collaborating with them to find out that they are not available. I work on the booking structure and unfortunately, it is a first come first service motion. If you have paid your wedding deposit and your date is set, please contact me, and ask for availability first if I am available, we can start discussions such as the trial date as well.

HOW LONG DOES A MAKE-
UP TRIAL TAKE?

I am working on a booking structure and a bridal makeup application takes 60-120 minutes as do the trial or one makeup application, this includes the meet and greet client consultation card and discussions. If you want to book multiple make-up applications in a single sitting, you will need to inquire before the trial day for me to work out a consolidated trial fee based on the number of looks you want to try out.

HOW DO YOU CALCULATE YOUR SERVICES?

I charge per person, but when it comes to weddings, I provide a discounted price for my services depending on the number of people. Refer to my bridal packages here.

WHAT SHOULD I TELL YOU, TO PLAN MY MAKE-UP APPLICATION?

To make sure I am as efficient as possible for your big day, you would have to know where you are getting ready, how many makeup applications will need to be done including you, what time the bride plans to do hair and dress. All this will be discussed during the process.

SHOULD I BRING MY COSMETICS?

I provide all the essential cosmetics and tools. If you have certain brands or products, you never stray from or have allergies to certain ingredients, and you are more comfortable with your own you are more than welcome to ask me to use what you want me to use if you are not satisfied with my set. I fully trust my skills and knowledge to use everything to the best of my abilities. I list all my products and ingredients for you to understand what I am using, read here.

28 Questions to ask your potential MUA!

I created a blog post for the basic 28 questions answered for your potential MUA. If you would like to read more, please go to my website: www.finelinebeauty.co.za, Under the Wedding category you'll find the post. Be sure to drop more questions for me to answer

WHY YOU SHOULD CONSIDER ME FOR YOUR WEDDING MAKEUP

Your wedding day is one of the most memorable days of your life, and you should look your best on this special day. The perfect makeup application is designed to enhance and highlight your desirable features. There is no place for any mistake with your wedding makeup, that is why a lot of care and planning must go into it well before the big day arrives. Your wedding makeup should accentuate your best features and mask any defects. My goal is not to show all my glamour skills on a make-up application, but to ensure that the overall appearance of your hair, dress, accessories and makeup fits into the overall look to make it comfortable and you fabulous.
