Distributors of:

• JOHANNESBURG • PRETORIA • CAPE TOWN • PORT ELIZABETH

Suppliers of Advanced Industrial Pneumatic, Battery & Electronic Fastening Solutions  
Industrial Quality Assurance & Transducerized calibration tooling  
Industrial sanding, cutting, grinding, welding, metal finish & Abrasives  
Full compressed air solutions, Air management, Industrial Hose reels, Piping and Valves  
Full Service Workshop with 24/7 Call out team  
SANAS Calibration Laboratory with On-Site calibration accreditation

## COMPANY PROFILE

Hyper Pneumatics East Cape was established in 1995 for the distribution and repair of air-tools, Advanced Electronic Fastening Equipment, construction equipment, Compressed Air Solutions and related accessories.

### OUR TEAM:

#### TECHNICAL SALES TEAM:

8 External Technical Sales .

#### REPAIRS/SERVICE & CALIBRATION:

14 qualified repair technicians, 3 Metrologists and 1 Technical Signatory

#### INTERNAL SALES:

4 internal sales Staff.

#### FINANCE:

This department comprises of 2 debtor / creditors clerk and a Book Keeper

#### BRANCHES:

Port Elizabeth, HQ – GM Industrial Park, Kempston Road  
- Services East London, Garden Route  
Pretoria – Jatex Business Park, Rosslyn  
Johannesburg – Isando  
Cape Town – Blackheath Industrial  
Further branches to follow for National Footprint

Hyper Pneumatics has obtained their **ISO 17025** accreditation, and has been rated a **Level 4 BBBEE Contributor Company**.

No: 830

Distributors of:

• JOHANNESBURG • PRETORIA • CAPE TOWN • PORT ELIZABETH

Suppliers of Advanced Industrial Pneumatic, Battery & Electronic Fastening Solutions  
Industrial Quality Assurance & Transducerized calibration tooling  
Industrial sanding, cutting, grinding, welding, metal finish & Abrasives  
Full compressed air solutions, Air management, Industrial Hose reels, Piping and Valves  
Full Service Workshop with 24/7 Call out team  
SANAS Calibration Laboratory with On-Site calibration accreditation

### OUR RANGE OF PRODUCTS:

- **Chicago Pneumatic Industrial Power Tools and Compressors**  
- Mining Industry, Foundries, Petro-Chemical & General Industry
- **DESOUTTER Industrial Power Tools**  
- Electronic Assembly Systems & Torque Test Equipment  
- Appointed Sole Sales, Service and Repair Agents, spares and accessories for Sub-Saharan Africa
- **Industrial Compressed Air Solutions – Mobile & Stationary**
- **Industrial & General Air & Battery Rivet & Rivnut Fasteners & Tools**
- **Air Line Systems, Valve and Cylinder sales and Repairs**
- **Quick Couplers and Coiled Air Hoses and Accessories**
- **Air Management & Control Technology**
- **Atlas Copco Civil, Construction Equipment and Accessories**
- **Atlas Copco PRIME Generators**

**We at Hyper Pneumatics feel our slogan says it all!**  
**BIG ENOUGH TO COPE BUT SMALL ENOUGH TO**  
**CARE ABOUT ALL YOUR POWER TOOL NEEDS**

## WHERE WE ARE

We currently have a service contract with ISUZU SOUTH AFRICA, where we have dedicated workshops to the ISUZU Truck vehicle plant and also to their ISUZU Commercial vehicle plant in Port Elizabeth.

We also have a Support Workshop inside Nissan South Africa with 7 Technicians permanently onsite supporting production on all tooling breakdown, servicing and calibrations  
We provide many of the major Vehicle plants in the Eastern Cape such as VWSA, Mercedes Benz and also Nationally such as Ford, Nissan, BMW, MAN Bus & Truck, Hyundai Truck, UD Trucks & Volvo Trucks. We are a Company designed around vehicle assembly and General Industry such as Aerospace, Military industries & Mining Industries.

Some of the major automotive Tier companies we supply, includes Lear Corporation, Faurecia, Valeo, Hella, Venture, Feltex, RMA and more...we have many larger non-automotive customers we supply such as Transnet, Petro SA - Petro Chemical and Atlantis Foundries, to name but a few. We also Supply SAA Technical, DENEL Aerostructures, DENEL Rheinmetal Ammunitions & DENEL Protective Mobility.

We cover the entire stretch of coastline from Cape Town to East London, including In-land Such as the Entire Freestate, Gauteng Northwest Region, Namibia, Botswana and Lesotho

**Desoutter Industrial Tools** provides wide range of tool solutions for the vehicle manufactures, tier one suppliers and line builders. Solutions include fixed systems for engine and power train assembly, and handheld solutions for final assembly processes.

Desoutter solutions can be found in industrial fastening, assembly and materials removal processes. Solutions include heavy-duty assembly systems and powerful material removal solutions, including grinders, sanders, chipping hammers, needle scalars, belt sanders and impact tools.

In their quest for higher quality levels, many major appliance and electronic manufacturers rely on Desoutter tools for error-proofed fastening and other business critical industrial processes.

**Chicago Pneumatic** represents tools and compressors that are engineered for high performance. In addition to pioneering design, high-impact technology, and durability Pneumatic means customer value.

Today the Chicago Pneumatic range includes more than 500 products, many of which have been industry-leading in their innovative way of solving your everyday challenges and needs.

**Fuji Air Tools** have been operating with the major management policies which include:

1. To develop quality products and deliver that quality directly to the customers.
2. To ensure the satisfaction of demand to the customer, and to take every possible measure for the establishment of service and maintenance systems, so that the customers can use our products under the required operating conditions for as long as they need to.

Our final goal is to provide 100% customer satisfaction while fulfilling our obligation for continual improvement to protect the environment.

**GESIPA**  
Gesipa systems are the world leaders in Revit and Rivnut tooling. German designed and made, these tools are industrial and designed to for the harshest working environments. They offer specialized turnkey projects as well. Tools are easy to maintain and repair.
