## Executive

**Chairman**  
**Mr Amos Sithole**

**Director**  
**Madakadze Tsvakai**

## Chairman's Greeting

He is the most reliable and dedicated Building Contractor in Cape Town , South Africa . From humble beginnings as a builder to foreman and later to start his own company, he honed his trade for more than fifteen years.

A hard worker with an entrepreneurial spirit has seen him develop into the leader and later found of a great construction company in Western Cape and surroundings. He has a lot of empathy to clients and workers . His humility shows in his hands-on approach as he is pleased to be around all his projects not only supervising but also leading by example. He greatly believes in team effort. This true character is emphasized well as he is always putting clients and workers first. engaging with staff and clients alike and treat them as the only ones.

Good communication and empowerment of his workers remains a priority for him. In turn a professional worker's compliment empowers this dynamic organisation Amos Handyman & Building Contractor.

**The Chairman**  
**Mr Amos Sithole**

## Executive Summary

Since the founding of Amos Handyman & Building Contractor about 15 years ago, the building of strong partnerships has always been at the core of our success. We enter into our environment of construction works with transparency, trust and respect, as well allowing our clients to become part of our success story.

A robust and highly skilled manpower professionally allows us to be extremely flexible when it comes to client requirements.

We are very dynamic and we understand that our clients' landscapes are also forever changing. Urgency is accommodated when required so.

In just fifteen years we have grown and erected vast projects in the Western Cape province leaving all clients satisfied. We as well looking forward to expanding across to other areas not limited to this region if opportunity arise. We have become known for our great works and eco friendly solutions for our clients.
