150-Hour Master TEFL Course Outline

Module 1

Understanding Language and Language Learning

- Introduction to Language Teaching and Learning
- Teaching and Learning
- Language Learning
- Language Teaching
- Basic Concepts of Linguistics
- Phonetics
- Phonology
- Morphology
- Syntax
- Semantics
- Pragmatics
- Language Variation
- Language Change
- Understanding Second Language Acquisition
- Stages of Second Language Acquisition
- Factors Affecting Second Language Acquisition
- Teaching Implications of Second Language Acquisition
- Language Teaching Methodologies
- Grammar-Translation Method
- Direct Method
- Audio-Lingual Method
- Communicative Language Teaching
- Task-based Language Teaching
- Content-Based Language Teaching

**DRAGON
TEFL**

Module 2

Lesson Planning and Materials Development

- Principles of Lesson Planning
- Preparing Effective Lesson Plans
- Components of a Lesson Plan
- Topic
- Level
- Age Group
- Duration
- Objectives
- Materials
- The warm-up stage
- The presentation stage
- The practice stage
- The production stage
- Assessment
- Extension Activities
- Adapting Teaching Materials
- Creating Teaching Materials
- Teaching with Technology
- Using Technology to Engage Students
- Using Technology to Facilitate Learning
- Using Technology to Promote Success

TEFL**

Module 3

Classroom Management and Assessment

- Classroom Management Strategies
- Establishing Classroom Rules and Expectations
- Building Relationships with Students
- Using Positive Reinforcement
- Using Consequences for Misbehavior
- Using Differentiated Instruction
- Establishing Classroom Routines and Procedures
- Creating a Positive Learning Environment
- Classroom Assessment Techniques
- Giving Feedback and Correcting Errors
- Types of Feedback
- Effective Feedback Strategies
- Error Correction Strategies
- Additional Practical Examples

Module 4

Teaching Different Language Skills

- Teaching Listening and Speaking Skills
- Teaching Reading and Writing Skills
- Teaching Pronunciation and Intonation
- Sounds and Intonation Patterns
- Tongue Twisters
- Minimal Pairs
- Using Visual Aids and Technology
- Providing Feedback and Correction
- Engaging Students in Authentic Listening and Speaking Practice
- Encouraging Practice and Self-Monitoring
- Incorporating Pronunciation and Intonation Practice into Everyday Instruction
- The importance of Pronunciation and Intonation
- Integrating Language Skills
- Reading and Writing Integration
- Listening and Speaking Integration
- Writing and Speaking Integration
- Listening and Reading Integration
- Reading, Writing, Listening, and Speaking Integration
- Using Authentic Materials
- Task-Based Learning
- Content-Based Instruction

Module 5

Teaching Specific Learner Groups

- Teaching Young Learners
- Songs and Chants
- Games and Activities
- Hands-on Learning Opportunities
- Classroom Rules and Routines
- Collaboration and Group Work
- Positive Feedback and Reinforcement
- Different Learning Styles
- Learning Materials
- Teaching Business English
- Needs of Business English Learners
- Language Functions and Skills Required for Business English Communication
- Materials and Resources
- Effective Teaching Strategies
- Teaching English for Specific Purposes
- Conducting a Needs Analysis
- Developing Materials and Activities
- Using Authentic Materials
- Integrating Language Skills
- Providing Authentic Practice Opportunities
- Giving Feedback and Assessment
- Teaching English Online
- A Positive Online Learning Environment
- Utilizing Technology
- Encouraging Student Autonomy

Module 6

Grammar for English Teachers

- Sentence Structure
- Parts of Speech
- Verb Tenses
- Types of Nouns
- Types of Pronouns
- Types of Verbs
- Functions of Verbs
- Types of Adjectives
- Practical Examples for Teaching Adjectives
- Types of Adverbs
- Practical Examples for Teaching Adverbs
- Types of Prepositions
- Practical Examples for Teaching Prepositions
- Types of Conjunctions
- Practical Examples for Teaching Conjunctions
- Teaching Grammar
- Assessment and Evaluation
- Diagnostic Assessment
- Formative Assessment
- Summative Assessment
- Rubrics

Module 7

Teaching English Communicatively

- Introduction to Communicative Language Teaching
- Key Principles of Communicative Language Teaching
- Language Learning Goals
- Appropriate Tasks
- Language Focus
- Lesson Sequence
- Materials and Resources
- Implementation
- Designing Communicative Lesson Plans
- Techniques and Strategies for Communicative Language Teaching
- Pair and Group Work
- Information Gap Activities
- Role-play and Simulation
- Problem-solving Activities
- Authentic Materials
- Error Correction
- Encouraging Real-life Communication
- Assessment and Feedback in Communicative Language Teaching
- Performance-Based Assessments
- Self-Assessment
- Peer Assessment
- Formative Assessment
- Summative Assessment

Module 8

Teaching English One-to-One

- Introduction to One-to-One Teaching
- Advantages of One-to-One Teaching
- Lesson Planning for One-to-One Teaching
- Assessing the Student's Needs
- Creating Learning Objectives
- Selecting Appropriate Materials
- Designing Activities and Assessments
- Reflection and Adjustment of Lesson Plans
- Materials Selection for One-to-One Teaching
- Selecting Appropriate Textbooks
- Using Authentic Materials
- Incorporating Language Learning Apps
- Designing Custom Materials
- Teaching Strategies for One-to-One Teaching
- Creating a Personalized Learning Plan
- Using a Variety of Teaching Methods
- Providing Feedback and Correction
- Incorporating Authentic Materials
- Using Technology to Enhance Learning
- Diagnostic Assessment
- Formative Assessment
- Summative Assessment
- Self-Assessment
- Incorporating Authentic Assessment

Module 9 Homework

- Introduction to Homework
- Benefits of Homework for EFL Students
- Creating Effective Homework Assignments
- Determining Learning Objectives
- Providing Instructions
- Incorporating Real-World Contexts
- Considering Students' Needs and Interests
- Providing Feedback on Homework
- Rubrics
- Opportunities for Revision
- Celebrating Success
- Managing and Tracking Homework Assignments
- Homework Policies
- Homework Logs
- Online Learner Management Systems
- Parent and Student Communication
- Peer Revision
- Using Technology to Support Homework Assignments
- Interactive Websites and Apps
- Online Discussion Forums
- Video-Based Assignments
- Virtual Field Trips
- Podcasts and Audio Assignments
- Online Writing and Grammar Tools

Module 10

Professional Development

- Self-Reflection and Continuous Professional Development
- Journaling
- Peer Observation
- Feedback from Students
- Professional Development Workshops
- Build a Professional Portfolio
- Finding English Teaching Jobs Abroad
- Resumes
- Cover Letters
- Job Search Engines and Websites
- Government Programs and Organizations
- Networking
- Mental Preparation for Job Interviews
- Useful Websites
- Finding Online English Teaching Jobs
- Online Teaching Platforms
- Job Boards
- Your Online Presence
- Freelance Teaching
- Company Research
- Cultural Awareness and Cross-Cultural Communication
- Tips for Developing Cultural Awareness
- Tips for Improving Cross-Cultural Communication
