

TOMORROW ISN'T CERTAIN BUT YOUR PROMISES CAN BE

When you make a promise to always provide for those who depend on you, it's not a question of whether you need life cover. It's a question of how much.

That's why Old Mutual has the tools, the experience, and the solutions to make understanding life cover easy.

PUT YOUR PLAN IN MOTION WITH THE PROTECTION WHEEL

This powerful interactive tool is a great place to start, by allowing you to work out how much you should invest according to your current income, and the estimated illness, death and disability cover amounts you should aim for.

The Protection Wheel is an excellent first step, but be sure to contact me for a full needs analysis so that we can make sure you've got the right cover for your exact needs.

GET THE FLEXIBILITY TO CHOOSE YOUR COVER YOUR WAY

Should you die, our life insurance options pay a single tax-free cash amount or a monthly cash payment, depending on the option you choose. Your loved ones can use this money to settle any outstanding debt, estate costs and other expenses.

BEING PREPARED STARTS TODAY

I'm ready to help you get a clear picture of how much life cover is perfect for you and your family, so that you can turn the promises you've made into a real plan.

There's no time like the present. Contact me by replying to this message or by using my contact details in the email.
